“Non-banking financial company (NBFC) sector has vital role in the growth that India has experienced over the last couple of years. NBFCs have been instrumental in offering formal credit to the underserved retail and micro, small and medium enterprises (MSME) segment, thereby increasing the contribution of these segments to India’s overall GDP.

In the last couple of months, the sector has witnessed an acute liquidity situation which, to some extent, has been alleviated through measures taken by the RBI and the government to boost lending to NBFCs. While the larger NBFCs (AAA category) with strong parentage are in a better position to deal with the current problems, the smaller ones have been impacted the most in their ability to sustain their business because of the liquidity crunch. With the traditional sources of capital drying up, several NBFCs are raising capital through securitization of assets for lack of other quick and viable fund-raising options. NBFCs focused on infrastructure and real estate lending is experiencing stress in their loan books as evidenced by the growing level of non-performing assets (NPAs).

We strongly believe that a healthy NBFC sector is instrumental in maintaining India’s growth momentum and achieving the target of a USD 5 trillion Indian economy by 2024. NBFCs have shown resilience in the past in dealing with such downturns through business innovation. In light of new regulations, it would be interesting to see how the story unfolds for the NBFC sector in the next couple of months.

Chairman's Speech:

I am pleased to share with you the agenda to the Annual General Meeting of Shareholders (AGM) of Banas Finance Limited scheduled for 30th September, 2021. Due to the ongoing uncertainties arising from the COVID-19 pandemic, we cannot conduct the AGM in person.

We regret that we will not have the opportunity for direct interaction, but I hope to see you at our AGM in 2022. As we will not meet, I would like to take this opportunity to share some of the key developments in 2020-21, and a note on our focus for 2021 and beyond. As we look back on 2020, the year came with many surprises and challenges, for all of us. The pandemic impacted the entire world, including both public and private sector organizations. We worked to mitigate negative financial consequences, and were able to maintain business continuity, while protecting the health and wellbeing of our employees, which is a priority for our business.

Despite the challenges of the previous year, we are pleased to confirm a positive financial result. In 2020-2021, Banas reported consolidated total revenue of Rs. 144,698,909 including other income. During the year under review Company has generated Consolidated total Comprehensive income of Rs. 117,806,892 as compared to Previous year. The profit of the Company clearly reflects the benefit of the Merger of three companies with Banas Finance Limited.

I am pleased to inform you that your company has completed all formalities post merger of three listed entities with the company (Banas Finance Limited) and has allotted 1,42,72,730 Equity Shares pursuant to Scheme of Amalgamation of Proaim Enterprises Limited, Axon Ventures Limited, Rockon Enterprises Limited with Banas Finance Limited. The new securities of Banas Finance Ltd, Under the Scrip Code: 509053 are listed and permitted for trading on the Exchange with effect from Friday, March 12, 2021.

At this important milestone for the company, and on behalf of the Board I would like to express my gratitude to all our shareholders, employees, partners and clients for their continuing trust and confidence. It has been a thrilling year, and we are more than ready to go further on this journey together.

**Yours Sincerely,
Giriraj Kishor Agarwal
Chairman**

Notes:

- 1) In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its circular dated 5 May 2020 read with circulars dated 8 April 2020, 13 April 2020 and 13 January, 2021 (collectively referred to as 'MCA Circulars') and SEBI circular dated 12 May 2020 read with circular dated 15 January, 2021 permitted holding of the annual general meeting ('AGM') through VC/OAVM facility, without the physical presence of the members at a common venue. In compliance with the provisions of the Companies Act, 2013 (the 'Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations') and MCA Circulars, the AGM of the Company is being conducted through VC/OAVM hereinafter called as 'e-AGM'.
- 2) For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by NSDL.
- 3) The deemed venue for thirty-Eighth e-AGM shall be the Registered Office of the Company at E-109 Crystal Plaza, New Link Road, Opp. Infinity Mall, Andheri (West), Mumbai - 400053
- 4) Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM facility, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the e-AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- 5) Institutional/Corporate shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (pdf/jpg format) of its board or governing body's resolution/authorization, etc., authorizing their representative to attend the e-AGM on its behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the scrutinizer by email through its registered email address to csnitishchaudhary@gmail.com with a copy marked to evoting@nsdl.co.in.
- 6) Brief details of the directors, who are being re-appointed, are annexed hereto as per requirements of regulation 36(3) of the SEBI Listing Regulations and as per provisions of the Act.
- 7) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
- 8) Pursuant to section 91 of the Companies Act, 2013 The Register of Members and the Transfer Book of the Company will remain closed from 24/09/2021 to 30/09/2021 (both days inclusive).
- 9) The Securities & Exchange Board of India (SEBI) has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form, are, therefore requested to submit their PAN to their Depository Participants with whom they are maintaining their Demat Account. Members holding their shares in Physical Form can submit their PAN details to the share transfer agent (Purva Share registry (India) Pvt Ltd) of the Company.
- 10) Members are requested to notify immediately any change in their address details to the Company's Registrar and share transfer agents for shares held in demat/physical form at Purva Share registry (India) Pvt Ltd, at 9, Shiv Shakti Industrial Estate, J.R. Boricha Marg, Lower Parel (E), Mumbai - 400 011.
- 11) Pursuant to the provisions of Sections 101 and 136 of the Act read with 'The Companies (Accounts) Rules, 2014 electronic copy of the Annual Report for financial year 2020-2021 along with Notice of 38th Annual General Meeting of the company is being sent to all the members whose email id is registered with the Registrar/Depository Participant(s). Members may note that the Notice and Annual Report for FY2021 will also be available on the Company's website at <https://banasfinance.wordpress.com> website of the stock exchanges i.e., BSE Limited at www.bseindia.com, Notice and Annual Report is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

- 12) To receive communications through electronic means, including Annual Reports and Notices, members are requested to kindly register/update their email address with their respective depository participant, where shares are held in electronic form. In case of shares held in physical form, members are advised to register their e-mail address with RTA Purva Sharegistry (India) Pvt. Ltd. Members may also note that the Notice of the 38th Annual General Meeting and the Annual Report for 2020-2021 will also be available on the Company's website www.banasfinance.com, website of the stock exchanges i.e., BSE Limited at www.bseindia.com, Notice and Annual Report is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com which can be downloaded from the site.
- 13) SEBI vide its notification dated 8 June 2018 as amended on 30 November 2018, has stipulated that w.e.f. 1 April 2019, the transfer of securities (except transmission or transposition of shares) shall not be processed, unless the securities are held in the dematerialized form, Members who still hold share certificates in physical form are advised to dematerialize their shareholding to also avail of numerous benefits of dematerialization, which include easy liquidity, ease of trading and transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
- 14) In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the e-AGM.
- 15) All the work related to share registry in terms of both physical and electronic are being conducted by Company's Registrar & Transfer Agent, Purva Sharegistry (India) Pvt. Ltd. 9, Shiv Shakti Ind. Estt. J. R. Boricha Marg, Off. N. M. Joshi Marg, Near Lodha Excelus, Lower Parel (East), Mumbai - 400011. The Shareholders are requested to send their communication to the aforesaid address or via email at support@purvashare.com
- 16) Members, who would like to express their views or ask questions during the e-AGM will have to register themselves as a speaker may register themselves as a speaker may send their request mentioning their name, demat account number/folio number, email id, mobile number at banasfin@gmail.com and mark cc to RTA @ support@purvashare.com during the period starting from 27th September, 2021 (from 9.00 a.m.) to 29th September, 2021 (up to 5.00 p.m.). Only those members who have registered themselves as a speaker will be allowed to express their views/ask questions during the e-AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the e-AGM. Please note that only questions of the members holding the shares as on cut-off date will be considered.
- 17) Since the meeting will be conducted through VC/OAVM facility, the route map is not annexed to this Notice.
- 18) In case a person becomes a member of the Company after dispatch of e-AGM Notice, and is a member as on the cut-off date for e-voting, i.e., Thursday, 23rd September 2020, such person may obtain the user id and password from RTA by email request on Support@purvashare.com.
- 19) Brief details of the Directors, who are seeking appointment / re-appointment, are annexed hereto as per the requirements of the Companies Act, 2013 and Regulation 36(3) Of the Listing Regulation, 2015.
- 20) Members holding the equity shares under multiple folios in identical order of names are requested to consolidate their holdings into one folio.
- 21) Members are requested to send all communications relating to shares, unclaimed dividend, change of address etc. to the Registrar and Share Transfer Agents at the following address: Purva Sharegistry (India) Private Limited Shiv Shakti Industrial Estates, Unit No. 9, 7-B J. R. Boricha Marg, Sitaram Mills Compound, Mumbai 400011. Tel: 022- 23016761; 022 23012517/8261, Email: support@purvashare.com if the shares are held in electronic form, then change of address and change in the Bank Accounts etc. should be furnished to their respective Depository Participants.
- 22) Members who have not yet registered their e-mail address with the Company or their respective Depository are requested to do so. In the context of General Meeting through VC/OAVM, availability of email id of shareholders will play key role for sending notice or other important communication to shareholders. Hence, Purva Sharegistry (India) Pvt Ltd. is offering the facility for all shareholders (physical as well as demat) to update their email id with it for sending the notice of AGM and annual report. The facility for updating of e-mail id of the shareholders shall be available on their website <https://www.purvashare.com> and the same can be updated by shareholders any time during the year.

No. 022- 23016761; 022 23012517 /8261.

PROCEDURE AND INSTRUCTION OF E-VOTING

In compliance with provisions of Section 108 of the Act, Rule 20 of the Companies (Management and Administration) Rules, 2014 and Listing Regulations, 2015, the Company provides to its members, the facility to exercise their right to vote on resolutions proposed to be considered at the 38th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).

The facility for voting through E-voting shall also be made available at the AGM and the members attending the meeting shall be able to exercise their right to vote at the meeting through e-voting in case they have not casted their vote by remote e-voting.

The members who have casted their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the EGM/AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing 38th AGM through VC/OAVM.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this 38th AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the 38th AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. The Members can join the 38th AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the 38th AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the 38th AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the 38th AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the 38th AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the 38th AGM will be provided by NSDL.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the 38th AGM has been uploaded on the website of the Company at <https://banasfinance.wordpress.com>. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and the 38th AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
7. 38th AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on 27th September, 2021, 2021 at 09:00 A.M. and ends on 29th September, 2021 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 23rd September, 2021, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 23rd September, 2021.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility. Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	<ol style="list-style-type: none"> Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the “Beneficial Owner” icon under “Login” which is available under ‘IDeAS’ section , this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on “Access to e-Voting” under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select “Register Online for IDeAS Portal” or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Shareholders/Members can also download NSDL Mobile App “NSDL Speede” facility by scanning the QR code mentioned below for seamless voting experience. <div style="text-align: center;"> <p>NSDL Mobile App is available on</p>  App Store  Google Play </div> <div style="display: flex; justify-content: space-around; margin-top: 10px;">   </div>

<p>Individual Shareholders holding securities in demat mode with CDSL</p>	<ol style="list-style-type: none"> Existing users who have opted for Easi / Easiest, they can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on New System Myeasi. If the user is not registered for Easi/Easiest, option to register is available at https://web.cdslindia.com/myeasi/Registration/EasiRegistration Alternatively, the user can directly access e-Voting page by providing demat Account Number and PAN No. from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. After successful authentication, user will be provided links for the respective ESP i.e. NSDL where the e-Voting is in progress.
<p>Individual Shareholders (holding securities in demat mode) login through their depository participants</p>	<p>You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
<p>Individual Shareholders holding securities in demat mode with NSDL</p>	<p>Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30</p>
<p>Individual Shareholders holding securities in demat mode with CDSL</p>	<p>Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43</p>

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

<p><u>How to cast your vote electronically and join General Meeting on NSDL e-Voting system?</u></p> <ol style="list-style-type: none"> After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and General Meeting is in active status. Select “EVEN NO 118072” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join General Meeting”. Now you are ready for e-Voting as the Voting page opens.

4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to csprof.services@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “[Forgot User Details/Password?](#)” or “[Physical User Reset Password?](#)” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to banasfin@gmail.com
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to (banasfin@gmail.com). If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A) i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

As a result, the Company (BANAS) holds 35.52% Equity Shares of Tilak Ventures as a result Tilak becomes associate Company of Banass Finance Limited.

STATUTORY AUDITORS:

M/s. Pravin Chandak & Associates, Chartered Accountants having Firm Registration No. 116627W, reappointed as Statutory Auditors of the Company in the 36th Annual General Meeting of the company for a period of second term of 3 consecutive years till the conclusion of 39th Annual General Meeting of the company to be held in the year 2022. They will continue to be Statutory Auditors till F.Y. 2021-22. The Statutory Auditors have confirmed their eligibility pursuant to section 139 of the Companies Act 2013.

Vide notification dated May 7, 2018 issued by Ministry of Corporate Affairs, the requirement of seeking ratification of appointment of statutory auditors by members at each AGM has been done away with. Accordingly, no such item has been considered in notice of the 38th AGM.

AUDITORS REPORT:

Observations made in the Auditors' Report are self-explanatory and therefore do not call for any further comments under Section 134 (1) of the Companies Act, 2013.

COMMENTS ON OBSERVATION MADE BY STATUTORY AUDITORS:

M/s. Pravin Chandak and Associates, Practicing Chartered Accountant, in his Independent Auditor Report for financial year 2020-21 have drawn the attention of the management on some Prudential Norms of NBFC, which have been marked as qualification in his report. In connection with the same, management here with gives the explanation for the same as follows:

- a) The Company did not have an appropriate internal control system for granting Loans. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.

The Management is of having view that that the Company is mid-size NBFC, as compared to other giants in the market. Company has not acknowledged any deposits from public. The Company is doing business out of its own fund. The Company functions its business with at most caution and carefulness. As far as making of Loan and Advances are concerned, management grants demand loan only either to the parties recognized to the Company or by reference which are administered by the Board policies.

- b) The Company's internal control system is not commensurate to the size and scale of operation over purchase and sale of shares and inventory and for expenses incurred.

With regards to appropriateness of internal control system is concerned, management is having views that the company has an effective and sufficient internal control system in place for granting of loans, management grants loans only either to the parties known to the Company or by references which are governed by the Board policies. The Loan and Advances granted by the Company has been closely supervised and monitored on regular basis.

However, as per recommendation of Auditors, the Company is under process to strengthen its controls procedures.

SECRETARIAL AUDITORS:

Pursuant to the requirements of Section 204(1) of the Act, and Rule 9 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s Nitesh Chaudhary & Associates., Practicing Company Secretaries, to conduct the Secretarial Audit for the financial year 2020-21. The Secretarial Audit Report as received from M/s Nitesh Chaudhary & Associates is appended to this Report as **Annexure I**.

COMMENTS ON OBSERVATION AND QUALIFICATION MADE BY SECRETARIAL AUDITORS:

M/s Nitesh Chaudhary & Associates, Company Secretary in Practice, in his Secretarial Audit Report for financial year 2020-2021 have drawn the attention of the management on some of the non-compliances, which have been marked as qualification in his report. In connection with the same management herewith give the explanation for the same as follows:

1. The Company has not followed some of the provisions of prudential norms issued by Reserve Bank of India for Non-Banking Financial (Non-Deposit Accepting or Holding) Companies which also including any statutory modification and amendment from time to times.

Management of the Company is in the process to get develop electronic/digital portal or software to maintain the prudential norms.

2. The Company has not followed some of the provision of Know Your Customer' (KYC) Guidelines issued by Reserve Bank of India from time to time is not properly followed by the company, and the Company yet to submission of reports and information (SAC Certificate & RBI Annual Return) to the Reserve Bank of India, as required to be made during the year under review.

Management of the Company is in the process to get develop electronic/digital portal or software to maintain the Know Your Customer' (KYC) Guidelines issued by Reserve Bank of India, the management has took on records that due to Covid -19 the SEBI has given extension for adoption of Audited Financial Results for F.Y. 2020-21 till 30th June 2021 therefore the company is yet to file the same with RBI, the company will submit the same at the earliest well in time.

3. The Company has delayed filed Compliance under Regulation 29(2)/29(3) read with Regulation 30, Notice of Board Meeting for approval of Un- Audited financial results for the Quarter Ended 30th September, 2020.

The management of the Company informed that they due to Covid-19 Pandemics and health issues of director of the company as well as due to Pandemics it was a coordination and communication delay with Auditors of the Company therefore the delay of 2 days has happened.

The company has also informed that the clarifications and waiver application with the reasons for delay and situation of Covid -19 pandemics for which this delay has happened has been filed by the Company with Stock Exchange, companies management waiting for reply of clarification & waiver application filed by the company.

NUMBER OF MEETINGS OF THE BOARD:

SECRETARIAL AUDIT REPORT

For The Financial Year Ended On 31st March, 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

**The Members,
Banass Finance Limited,
E-109, Crystal Plaza, New Link Road,
Andheri (West) Mumbai-400053**

We have conducted the Secretarial Audit of the applicable compliance & statutory provisions and the adherence to corporate practices by M/s. Banas Finance Ltd (hereinafter called the 'Company') for the audit period covering the financial year from 01st April, 2020 to 31st March, 2021 ('the audit period'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in my opinion, the company has, during the audit period complied with the statutory provisions listed hereunder and also that the company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the M/s. Banas Finance Ltd for the financial year ended on 31st March, 2021 according to the provisions of: The Companies Act, 2013 ("the Act") and the rules made there under;

1. The Companies Act, 2013 ('the Act') and the Rules made there under;
2. The Securities Contracts (Regulation) Act, 1956 and the Rules made there under;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992:
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; during the audit period, we found that the merger scheme has been approved by honourable NCLT Bench, Mumbai merger of 3 listed Group Companies namely M/s Proaim Enterprises Limited (First Transferor Company); M/s Axon Ventures Limited (Second Transferor Company); M/s Rockon Enterprises Limited (Third Transferor Company) With Banas Finance Limited (Transferee Company) and company has allotted equity shares to the shareholders of all 3 transferor companies as per swap ration approved in the scheme of merger and order passed by honourable NCLT Bench, Mumbai, company has complied with respect to the shares allotted and filed necessary forms with ROC/Authorities and also complied with requirements of Listing & Trading approvals of equity shares allotted with concerned stock exchange & depositories.
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 - As the Company has not issued any shares/options to directors/employees under the said ESOP/regulations during the year under review;
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - As the Company has not issued any debt securities which were listed during the year under review;
 - f) The Securities and Exchange Board of India (Registration to an Issue and Share Transfers Agents) Regulations, 1993 - As the Company is not registered as Registrar to Issue and Share Transfer Agent during the year under review, the said regulation are not applicable to the company;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - The equity shares of the company are neither delisted nor proposed to be delisted. Hence the provision of said regulation is not applicable to the company;
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 - The Company has not bought back or

propose to buy-back any of its securities during the year under review, the said regulation are not applicable to the company;

6. Having regards to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test-check basis, the following laws are also applicable on company;

I. The Reserve Bank of India Act, 1934

II. Circular, Directions and Notifications issued by Reserve Bank of India for Non- Banking Financial (Non-deposit Accepting or Holding) Companies which include any revisions, modifications made thereof.

III. Maharashtra state Tax on Professions, Trades, Callings and Employments Act 1975;

IV. The Equal Remuneration Act, 1976;

V. Bombay Shops and Establishments Act, 1948;

I have also examined compliance with the applicable clauses of the following:

➤ Secretarial Standards with respect to Meeting of Board of Director (SS-1), General Meeting (SS-2) and Dividend (SS-3) issued by The Institute of Company Secretaries of India related to Board meetings, General Meeting and Dividend;

➤ The Listing Regulations Issued by the SEBI i.e. SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except the observation of statutory auditors in their Audit Report on financial and taxation matters and the other observation stated below:

1. The Company has not followed some of the provisions of prudential norms issued by Reserve Bank of India for Non-Banking Financial (Non-Deposit Accepting or Holding) Companies which also including any statutory modification and amendment from time to times.

2. The Company has not followed some of the provision of Know Your Customer' (KYC) Guidelines issued by Reserve Bank of India from time to time is not properly followed by the company and the Company has made delayed in submission of reports and information to the Reserve Bank of India, as required to be made during the year under review.

3. The Company has delayed submitted Intimation under Regulation 29(2)/29(3) read with Regulation 30, Notice of Board Meeting for approval of Un- Audited financial results for the Quarter Ended 30th September, 2020.

We have raised few queries during the audit and management of the company has given the written reply and clarifications on the queries raised by us.

I further report that

➤ The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

➤ Proper notice is given to all Directors to schedule the Board meetings in compliance with the provisions of Section 173(3) of the Companies Act, 2013, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting **except** board meeting held on 12th November, 2020.

➤ Decisions at the meetings of the Board of Directors of the Company were carried through on the basis of majority. There were no dissenting views by any member of the Board of Directors during the period under review.

I further report that there are adequate systems and processes in the Company, commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines except granting of Loans and scale of operation over purchase and sale of shares, and Inadequate Internal Financial Controls over Statutory Dues, Payments to Govt. and Sundry Debtors

I further report that:

During the audit period, there were no instances of:

- (i) Public/Rights/Preferential issue of Shares/debentures/ sweat equity.
- (ii) Redemption/buy-back of securities.
- (iii) Foreign technical collaborations.

During the period of Audit i.e. F.Y. 2020-21 the company has received Final Order for merger of 3 listed Group Companies namely M/s Proaim Enterprises Limited (First Transferor Company); M/s Axon Ventures Limited (Second Transferor Company); M/s Rockon Enterprises Limited (Third Transferor Company) With Banas Finance Limited (Transferee Company)) order dated 20th July, 2020 and as per the Order company has made allotment of equity shares to the Shareholders of the 3 Transferor companies as per the swap ratio stated in the Merger order passed by Honourable NCLT Bench, Mumbai and the compliances for allotted shares filing of necessary forms with ROC and with respect to the admission of securities with Depositories, Listing and Trading permission from stock exchange has been received by the Company.

**To the Members of
Banas Finance Ltd.**

We have examined the compliance of conditions of corporate governance by **Banas Finance Ltd** ("the Company") for the year ended 31st March, 2021, as stipulated in applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulations').

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in applicable provisions of the Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INTRODUCTION:

Your Company has complied in all material respects with the requirements of the Corporate Governance Code as per Schedule V (c) of the SEBI (LODR) Regulation, 2015.

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

The Company's philosophy on corporate governance is to observe the highest level of ethics in all its dealings, to ensure efficient conduct of the company to achieve its goal in maximizing value for all its stakeholders. We are committed to doing things the right way which means taking business decisions and acting in a way that is ethical, in the interest of our stakeholders and is in compliance with applicable legislation. Our values reflect our continued commitment to ethical business practices across our operations. The Company's philosophy is based on the fair and transparent disclosure of issues related with the Company's business, financial performance and matters relating to stakeholders' interest.

We believe that Corporate Governance is the key element in improving efficiency, growth and investor's confidence.

2. BOARD OF DIRECTORS:

COMPOSITION OF THE BOARD

As on 31st March, 2021, the Company's Board of Directors comprised of five directors, out of which two are non-executive independent directors, two are executive directors including one Managing Director, and one Non executive woman director. The composition of the Board is in conformity with Regulation 17 of the SEBI (LODR) Regulation, 2015 entered into with the stock exchanges.

The Board has received declaration from the Non-Executive and Independent Directors that they qualify to be considered as Independent as per the definition of 'Independent Director' stipulated in Regulation 16 (1)(b) of the SEBI (LODR) Regulation, 2015 and Section 149(6) of the Companies Act, 2013 (hereinafter called "the Act").

None of the Directors hold Directorships in more than 20 companies. Further, any individual director's directorships in public companies do not exceed 10. None of the Directors is serving as a member of more than ten committees or as the Chairman of more than five committees across all the public companies of which he is a Director. Necessary disclosures regarding committee positions in other public companies as on March 31, 2021 have been made by the Directors.

The number of directorships and committee Chairmanships/Memberships held by the Directors in other public companies (including banas) as on March 31, 2021 are given below:

Sr. No.	Name of Director	Designation/Category	No. of Directorship	No. of equity shares held in company	Member/Chairperson of the committee	
					Member	Chairman
1	Mr. Amit Gulecha	Managing Director	1	6169	0	0
2	Mr. Girraj Kishor Agrawal	Executive Director	3	50965	4	0
3	Mr. Hardikkumar Kabariya *	Independent Non - Executive Director	0	-	0	0
4	Mrs. Tanu Agarwal	Non - Executive Director	3	4000	4	0
5	Ms. Jyotsana Bhatt *	Independent Non - Executive Director	0	-	0	0
6	Mr. Chirag Goyal @	Additional Independent Non - Executive Director	2	-	3	4
7	Mr. Vikash Kulhriya @	Additional Independent Non - Executive Director	2		4	3
8	Mr. Hitendrakumar Parmar *	Independent Non - Executive Director	0	-	0	0

* Mr. Hardikkumar Kabariya, Mr. Hitendrakumar Parmar and Ms. Jyotsana Bhatt resigned from directorship with effect from 31/12/2020.

@ Mr. Chirag Goyal and Mr. Vikash Kulhriya appointed as Additional Non-Executive Independent Director with effect from 31/12/2020.

Directorships mentioned as above do not include directorships of Private Limited Companies, Companies under Section 8 of the Act and of companies incorporated outside India.

Positions in only Audit Committee and Stakeholders' Relationship Committee are considered for the purpose of reckoning the number of Chairmanships and Memberships held by the Directors.

None of the Non-Executive and Independent Directors has any material pecuniary relationship or transactions with the Company, other than the commission and sitting fees received by them for attending the meetings of the Board and its Committee(s) and professional fees received by the firm in which a Director is a partner

BOARD MEETINGS:

The Company holds at least four Board meetings in a year, one in each quarter, inter-alia, to review the financial results of the Company. The Company also holds additional Board Meetings to address its specific requirements, as and when required.

The Company circulates the agenda along with comprehensive notes well in advance before each meeting which, inter-alia, includes the following:

Quarterly/Half Yearly/Annual financial results of the Company
Minutes of various committees of the Board
Regulatory notices/judgment/order being material in nature
Approvals on the sale of investments/assets of material nature etc

Management Discussions and Analysis

The Management Discussion and Analysis Report for the year ended 31st March, 2021 as stipulated under Regulation 34 (2) (e) read with Schedule V of SEBI (LODR) Regulations 2015 have been included in consonance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI).

Investors are cautioned that these discussions contain certain forward looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy. The company undertakes no obligation to publicly update or revise any of the opinions or forward looking statements expressed in this report consequent to new information or developments, events or otherwise.

The operational performance and future outlook of the business has been reviewed by the management based on current resources and future development of the Company.

Banas Finance Ltd. is a Non deposit-taking Non-Banking Financial Company (NBFC-D) registered with the Reserve Bank of India (RBI). It is mainly engaged into business of Finance and Share Trading activity. The Company has a good lending portfolio.

NAVIGATING THROUGH COVID-19:

Your Company is continuously reviewing the evolving situation in the light of COVID-19 and playing a responsible role in minimizing the adverse impact of the pandemic on its businesses and the stakeholders' interests. Adapting to the 'new normal' of conducting business, your Company realigned the work priorities by placing highest importance on risk controls and collections.

THE COVID-19 PANDEMIC AND LOCKDOWN:

The COVID-19 pandemic is a once in a lifetime occurrence that has brought with it unimaginable suffering to people and to almost all sections of the economy. When the pandemic struck and led to nationwide lockdowns to curtail the transmission of disease, it was natural to fear that the global economy would stay in extreme stress of the kind not seen since the Great Depression and would have a long-lasting economic impact. To counter the crippling impact of the lockdowns on economies, the world's policymakers have resorted to fiscal and monetary measures never seen before in global economic history. It still remains to be seen if these relief measures sufficed, and whether actions taken by governments across the globe adequately compensated for the disruptions created in the lives of people.

Thankfully, science prevailed, Multiple vaccines were found with impressive efficacy levels in less than a year. Announcement of successful development of vaccines seemed to lift spirits around the world. Unfortunately, the advent of winter saw several countries battle second waves of COVID-19 infections, including more virulent strains leading to partial lockdowns. The race between vaccines and variants is heating up as massive vaccination drives are underway. Much depends on blocking transmission and not just the disease.

To alleviate the economic stress induced by the pandemic the Government of India announced a Rs.20.9 lakh crore economic package (or about 10% of GDP). Of this, 1.2% of GDP comprised direct fiscal spending and the rest consisted of (i) loans and guarantee schemes of Rs. 10.4 lakh crore, or about 5% of GDP and (ii) the RBI's liquidity measures of Rs. 8.01 lakh crore, or about 3.8% of GDP.

The grey cloud at present is the huge surge in infections that started with the second wave beginning in early March 2021. Hopefully, a serious increase in the pace of vaccinations across the country coupled with proper wearing of masks and social distancing will bring this surge down. If we keep all enterprises and workers open for business, this second surge should not affect the economy in a significant manner. However, that remains to be seen. For much depends on whether state governments react to the surge by large scale lockdowns; and whether the vaccination drive can be accelerated significantly.

MACROECONOMIC ENVIRONMENT:

Given the impact of the pandemic, FY2021 was expected to be an extremely demanding year. The consensus was that GDP growth in FY2021 would not only be negative but also would constitute the greatest fall in growth since 1979-80. After an estimated historic correction of (3.3%) in 2020, the International Monetary Fund (IMF) has projected the global economy to grow 6% in calendar year 2021 and 4.4% in 2022 on the back of the fiscal and monetary support provided by governments the world over coupled with widespread vaccination.

In fact, the degrowth in India's GDP was much larger than expected. For April-June 2020, real GDP contracted by a massive 24.4%. India had never recorded a quarter of negative growth since it began issuing such data publicly in 1996. No other large economy shrank so much during the pandemic. In the second quarter, July-September 2020, GDP again contracted by 7.3%. The consensus was that growth in the second half of the fiscal year would be far less than what was needed to erase the effect of the deep recession in the first half.

Thankfully, we began to witness early signs on resumption of economic activity in the second half of the year with several high frequency indicators suggesting that the economy was back on to positive growth. The third quarter (October-December 2020) recorded a GDP growth of 0.4%. And, as mentioned earlier, the second advance estimates of national income for FY2021 released by the CSO indicates a negative GDP growth of 8% for FY2021. Though this was bad enough, the contraction will be far less than earlier thought of – and we should see the fourth quarter (January-March 2021) showing relatively robust growth.

The most recent IMF forecast has also raised India's GDP growth estimate for FY2022 from 11.5% to 12.5%. If that were to occur, it will be the most significant growth turnaround among all the major nations of the world, including China.

In the past, India has seen a recession only thrice: in 1957-58, 1965-66 and 1979-80. The reason was the same each time – that of monsoon shocks affecting agriculture, which was then a sizeable part of the economy. The lockdown induced recession in FY2021 was different with agriculture being a bright spot, since agricultural activity was largely unhindered even during the lockdown phase. The manufacturing sector that initially suffered has since benefitted from the recovery aided by the pent-up demand and shifting consumer preferences. The services sector is showing a weaker recovery especially hotels, travel and entertainment industry.

The Government of India's relief measures comprising (i) direct fiscal spending and transfers to the poor; (ii) loan and guarantee schemes; and (iii) the RBI's liquidity measures aided growth in bank credit, enabled abundant liquidity in the financial sector – which was directed toward impacted segments like the industrial and services sector. While the RBI has maintained an accommodative stance so far, multiple factors like sticky inflation levels, elevated crude oil prices, and risks of US treasury yields will play a part in whether it can continue to maintain an ultra-accommodative stance; and that may have a consequential impact on interest rates in FY2022.

The government has taken on the onus of heavy lifting to revive the investment cycle. A growth-centric and expansionary Union Budget for 2021-22 puts out hope that it will set the tone for infrastructure growth over the next few years.

The fiscal deficit for 2021-22 is budgeted at 6.8% of India's GDP – though high but way below the revised estimate of 9.5% in 2020-21. Given the unprecedented economic havoc caused by the pandemic, such deficits are in line with actions taken globally. Indeed, most experts feel that FY2022 is a year when fiscal discipline will be kept in abeyance. Even so, implementation of the various budget measures is now all-crucial for the economic and fiscal health of the nation. We believe that the resilience shown by the Indian economy coupled with (i) a growth-centric Union Budget and (ii) the RBI maintaining an accommodative stance, will see the Indian economy grow at a faster clip than other economies. However, the only cause for concern is the resurgence of infections and partial lockdowns in some states.

INDUSTRY OVERVIEW:

After recording approximately 17% CAGR in Gross written premium (GWP) in the last five years, the general insurance industry in India faced one of its most challenging years. As the national lockdown was announced towards the end of FY2020, the year started with the economy at a near standstill.

Production and sales of automobiles across all segments – two wheelers, private cars and commercial vehicles – were down for several months in the wake of the lockdown. The motor segment represents over 34% of the industry's gross premiums and hence this had a major impact on industry growth. Travel had come to a standstill and, correspondingly travel insurance segment also suffered negative growth for much of the year. Equally, however, there was a spurt in demand for health insurance policies for a few months, especially COVID-19 specific policies.

From Q3 FY2021 onwards, businesses started to revive and, by the end of the year, many segments reached their pre-COVID-19 levels in terms of growth. Having said so, it needs emphasising that recovery in a few segments like passenger carrying commercial vehicles is yet to gain full momentum. On the Motor Third Party segment, where the price is fixed by means of a tariff, there was no increase in premium rates granted in FY2021 and no increase is expected for FY2022 either. This is a segment where the industry historically has loss ratios above 90%.

On the claims front, lower frequency of accidents in motor insurance and non-COVID-19 health insurance claims were positive events which were partially offset by a significant occurrence of COVID-19 claims in health insurance. Average claim sizes started moving up for motor and non-COVID-19 health claims as the recovery started. Despite such challenging circumstances on all fronts and in spite of sharp decline in GWP in the first half of FY2021, the industry posted growth of 4.0% for FY2021. This was largely driven by growth in health and property insurance.

The Company Banas Finance Limited appreciate yet another strong year of performance aided by a Merger/amalgamation of 3 Companies of same management and the Company has reduced the burden and extra cost of operations and compliance by merging other same management companies which for batter operations/management and low cost of operation with greater working capital for the business., robust volume growth, efficient operating costs and effective risk management.

OUTLOOK FOR FY 2021-22:

As the pandemic has spread across the globe, the adverse impact of COVID-19 has overshadowed global macroeconomic outlook. Several multilateral agencies have projected recession for the global economy in the calendar year 2020 with the IMF (International Monetary Fund) warning of the worst global recession in almost a century.

The RBI estimates real GDP growth of India to remain in negative territory in FY22. Rating agencies and economic think-tanks have significantly reduced India's growth projections for FY21 to -2% to -5% on the back of extended lockdown, factory shutdowns, supply chain disruptions, travel restrictions, reduced discretionary spending and recessionary outlook for the global economy.

To avert steeper decline in economic growth, major countries have used a mix of monetary and fiscal tools to ensure liquidity and credit flow to their economies. In India, while the RBI has been doing the heavy lifting, various policy measures announced by the Government in its Economic Package are perceived to be more useful in the medium to long term.

The nature of lockdown observed in India is amongst the strictest in the world, considering the domestic policy space to control its negative impact is limited. The consequent steeper decline in economic activities could adversely affect credit intermediaries and financial markets. Moreover, the broad-based economic slowdown will put pressure on the asset quality of lenders.

The COVID-19 led disruptions have severely affected the fiscal arithmetic of both Union and State Governments. It is already reflected in the large additional borrowings envisaged by both Union and State Governments along with expenditure rationalisation measures including reduction in capital expenditure. Such steep rise in government market borrowings will have hardening bias on yields and put pressure on the cost of borrowings of companies and NBFCs.

ECONOMIC OVERVIEW OF FINANCE INDUSTRY:

➤ GLOBAL ECONOMY:

World gross product fell by an estimated 4.3 percent in 2020, the sharpest contraction of global output since the Great Depression. The pandemic hit the developed economies the hardest, given the strict lockdown measures that many countries in Europe and several states of the United States of America imposed early on during the outbreak. The developing countries experienced a relatively less severe contraction, with output shrinking by 2.5 percent in 2020. Their economies are projected to grow by 5.7 percent in 2021.

The activity around the world is expected to strengthen in the second half of the current year due to improved COVID-19 management and the ongoing vaccination program, allowing for easing of pandemic control measures. Global economic output is expected to expand 4 percent in 2021 but still remain more than 5 percent below pre-pandemic projections. Global growth is projected to moderate to 3.8 percent in 2022, weighed down by the pandemic's lasting damage to potential growth.

The global economic recovery, which has been dampened in the near term by a resurgence of COVID-19 cases is expected to strengthen over the coming months as confidence, consumption, and trade gradually improves, supported by ongoing vaccination. Building economic, social and environmental resilience must guide the recovery from the crisis.

INDIAN ECONOMY:

Financial Year 2020-21 started with a nation-wide lockdown in India. However, India emerged as the fastest-growing major economy in the world. It is expected to be one of the top three economic powers in the world over the next 10-15 years. It is backed by robust democracy and strong partnerships. The Economic Survey has projected that the economy will grow at 11 percent, up from an estimated historic decline of 7.7 percent in 2020-21, on account of the COVID-19 pandemic.

Also, the vaccination drive is expected to provide an impetus for the restoration of contact-intensive sectors and a leading edge to the Indian pharma industry in the global market. The Government of India, under its Make in India initiative, is trying to boost the contribution made by the manufacturing sector with an aim to take it to 25% of the GDP from the current 17%. India's retail inflation, measured by the Consumer Price Index (CPI), rose to 5.52% in the month of March. Separately, the country's factory output, measured in terms of the Index of Industrial Production (IIP), witnessed a contraction of (-)3.6 per cent in February, as per Ministry of Statistics & Programme Implementation (MoSPI). The retail inflation during the month of February was at 5.03%. The rise in retail inflation in March can be attributed to the rise in food prices.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

The NBFC sector saw a largely stable outlook for major NBFC's. From the perspective of larger financial systems, scheduled commercial banks continued to be a dominant players accounting for nearly 47% of the bilateral exposure followed by Asset Management Companies managing mutual funds, NBFC's, Insurance Companies, Housing Finance Companies and all India Financial Institutions.

For several years, NBFCs have rapidly emerged as an important segment of the Indian Financial System. The sector is now being recognized as complementary to the banking sector due to the implementation of innovative marketing strategies, introduction of tailor made products, customer oriented services, attractive rates of return on deposits and simplified

procedures. NBFCs in India have recorded marked growth in recent years. After their existence, they are useful and successful for the evolution of a vibrant, competitive and dynamic financial system in Indian money market. The success factors of their business has been by making the most of their ability to contain risk, adapt to changes and tap demand in markets that are likely to be avoided by the bigger players. Thus the need for uniform practices and level playing field for NBFCs in India is indispensable.

NBFCs:

Over the past few years, NBFCs have undergone a significant transformation and today they form an important component of India's financial system. Playing a critical role in the development of infrastructure, transport and employment generation, NBFCs are changing the business loan landscape in the country. Most NBFCs, leverage alternative and tech-driven credit appraisal methodologies to assess the credit worthiness of prospective borrowers.

This difference in approach allows them to meet loan requirements of individuals and businesses left traditionally underserved by banks. With the introduction of e-KYC, making borrowing an instant and hassle-free experience, NBFCs are already offering the right financial products to consumers and small businesses in a customized manner. The use of technology to optimize business processes also keeps cost overheads to a minimum, enabling credit to be availed at highly competitive interest rates.

KEY OPPORTUNITIES:

- ♣ Increasing the penetration in the Micro, Small and Medium Enterprise (MSME) segment with new and dynamic operating models.
- ♣ Synergistic alliances with fintech companies to tap niche markets.
- ♣ Accessing new customers and cheaper funding sources by developing a viable co-lending business model.
- ♣ Tapping into the fast-growing e-commerce segment.
- ♣ Diversifying assets by targeting new profitable segments and developing the capabilities required to serve those segments.
- ♣ Developing digital capabilities to boost sales productivity.
- ♣ Increasing fee income through advisory services.
- ♣ Using digital competencies and tools to improve sales productivity – the use of advanced analytics and machine learning to build propensity models for lead generation, making real-time offers available to sales representatives by using customer data from multiple internal and external sources.

OPERATIONAL REVIEW:

Total Revenue/income from Operations is Rs. 144,698,909 for the FY 2020-21 comparison to FY 2019-20 Rs. 89,492,879.

SUBSIDIARY COMPANY:

As there are no subsidiaries of the Company, Investment made in Subsidiaries is NIL.

SEGMENT-WISE PERFORMANCE:

The Company operates in single reported segment with main business of Finance and Share Trading activity.

OPPORTUNITIES AND THREATS:

Growth of the company's asset book, quality of assets and ability to raise funds depends significantly on economy. Unfavorable events in the Indian economy can affect consumer sentiments and in turn impact consumer decision to purchase financial products. Competition from a broad range of financial service providers, unstable political environment, changes in government policies/ regulatory framework could impact the company's operations.

There are several large and profitable opportunities for NBFCs and the sector plays an important role in the Indian financial system. The key is for the NBFC sector to grow in a prudential manner while focusing on financial innovation and in having in place, the adequate risk management systems and procedures before entering into risky areas. The regulator constantly endeavors to balance the multiple objectives of financial stability, consumer and depositor protection and regulatory arbitrage concerns.

RISKS AND CONCERNS:

NEW RISK MANAGEMENT FRAMEWORK

However, another green shoot that emerged from the regulatory intervention as the RBI introduced a new liquidity risk management

framework to holistically counter future risks in the sector.

Under the new framework, non-deposit taking NBFCs with asset size of more than INR 10,000 crore and all deposit taking NBFCs will have to maintain a liquidity coverage ratio (LCR) requirement of 50 per cent by December 1, 2020, and progressively increase it to 100 per cent by December 2024. Similarly, non-deposit taking NBFCs with asset size between INR 5,000 crore and INR 10,000 crore would be required to have a minimum LCR of 30 per cent by December 1, 2020.

This might have produced short-term pain in the industry but it's an excellent long-term measure to protect the sector from externalities and improve the overall risk management frameworks across the industry. This will not only boost the confidence in the robustness of the sector, but it could also potentially lower the cost of funds for NBFCs as their risk perception goes down massively due to the new LCR reporting framework.

Moreover, the RBI's emphasis on its commitment to not let any NBFC fail came as a strong signal from the government that it firmly stands behind the sector. Due to the easier liquidity provisions, the flow of funds to NBFCs from banks improved by over 30 per cent in just a year.

As a result, the sector now stands on a firm footing with the right regulatory provisions in place along with liquidity windows which have allowed NBFCs to raise funds. Overall, the signs are encouraging as the asset quality for SME lending remains stable and lower than commercial lending non-performing asset rates in India.

According to CIBIL, SME 1 segment had just 9 per cent delinquencies compared to NPAs reaching up to 14 per cent in the larger ticket size segment. Meanwhile, NBFCs looked outwards for funds to keep the credit cycles running. Many players have raised funds outside the country and these offshore borrowings are expected to continue going into 2020, at least till the time credit flow in the Indian economy resumes.

The crucial bit to note here is that lending by NBFCs forms the backbone of India's economy, especially for the micro, small and medium enterprises sector.

As an NBFC, Banas is exposed to Credit, Liquidity and Interest Rate Risk. The Company takes risk management seriously and its procedures and policies in the area are well defined and considered appropriate for the assessment and management of individual risk categories. Sustained efforts to strengthen the Risk Framework have yielded consistently better outcomes for the company.

Company is well placed on the liquidity front and appropriate policies exist for underwriting credit risk. The Company endeavors to continuously learn and modifies its policies to manage the aforementioned risks.

The Audit Committee has been periodically reviewing the risk profile of the Company and evaluating the adherence by the branches / functions of the systems and processes in place for monitoring, evaluation, assessment and mitigation of risk through a systematic and effective audit programme. The observations of Audit Committee, if any, on the risk management are reported to the board.

The key risks are:

- i) Liquidity risk
- ii) Interest rate risk
- iii) Credit risk
- iv) Business risk
- v) Regulatory risk
- vi) Pandemic risk.

INTERNAL CONTROL SYSTEM & ADEQUACY:

The company has adequate internal control system commensurate with its size and business. The company Com- plied with all applicable statutes, policies, procedures, listing requirements and management guidelines. It Adheres to applicable accounting standards and polices.

Banas has robust internal audit programme, where the internal auditors, an independent firm of chartered accoun- tants, conduct a risk-based audit with a view to not only test adherence to laid down policies and procedures but also to suggest improvements in processes and systems. Their audit program is agreed upon by the Audit Commit- tee. Internal audit observations and recommendations are reported to the Audit Committee, which monitors the implementation of such recommendations.

HUMAN RESOURCE:

The Company has excellent combination of experienced and talented employees. The Company also undertakes on regular basis various training programmes to keep its employees updated on new technical developments and information which directly results in optimum capacity utilization and cost effectiveness. The Company's relation with its employees continues to be cordial. The Company always reciprocates commitment to its employees in order to motivate them to perform the best.

"IN ORDER TO MINIMISE THE DISRUPTION IN OUR OPERATIONS AND PROTECT THE HEALTH AND SAFETY OF OUR EMPLOYEES, WE HAVE LEVERAGED OUR TECHNOLOGY SYSTEMS AND UNDER TAKEN NUMBER OF MEASURES TO SUPPORT OUR EMPLOYEES WORKING FROM HOME BY PROVIDING THEM WITH LAPTOPS AND TABLETS AND CONDUCTING ONLINE TRAINING SESSIONS."

FULFILLMENT OF RBI NORMS AND STANDARDS:

The Company continues to fulfill all applicable norms and standards laid down by the Reserve Bank of India pertaining to prudential norms, income recognition, accounting standards, asset classification as applicable to NBFC's (ND) except few, explanation pertaining to which has been provided in Boards' report.

OUTLOOK:

The company is cautiously optimistic in its outlook for the year 2021-22. The outlook of the company for the year ahead is to diversify risk and stabilize its asset quality. The Corporate Finance Division will adopt a cautious approach and focus on customer relationships. This division will look to grow its supply chain, structured finance and leasing business.

Your company had successfully merged three listed entities with the company (Banas Finance Limited), namely; Proaim Enterprises Limited, (First Transferor Company) and Axon Ventures Limited, (Second Transferor Company) and Rockon Enterprises Limited, (Third Transferor Company) with Banas Finance Limited, (Transferee Company) by way of merger by absorption, leading to creation of a single unified lending entity, The Hon'ble National Company Law Tribunal, Mumbai Bench (NCLT) vide its order dated July 29, 2020 approved the Scheme. Pursuant thereto, the NCLT order was filed with the Registrar of Companies, Maharashtra on August 18, 2020, being the 'Effective Date effective on 18th August, 2020 to regulatory approvals.

Following the merger, our focus has been to revisit the organization design to align the structure, processes and performance management of the company to its strategic intent. Building a culture of performance orientation and accountability is an on-going priority, and I am confident that the initiatives taken up this year will result in increased revenues and profitability. Enhancing leadership capability at different levels is integral to the success of the strategy.

CAUTIONARY STATEMENT:

Statements in foregoing paragraphs of this report describing the current industry structure, outlook, opportunities, etc., may be construed as "forward looking statements", based on certain assumptions of future events over which the Company exercises no control. Therefore, there can be no guarantee as to their accuracy. These statements involve a number of risks, uncertainties and other factors that could cause actual results to differ materially from those that may be implied by these forward looking statements.

INDEPENDENT AUDITORS REPORT

Independent Auditor's Report

To the Members of
Banas Finance Limited

Report on the Financial Statements

We have audited the accompanying Ind AS financial statements of **Banas Finance Limited** ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of profit and loss, statement of changes in equity and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March 2021, and profit (financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We further draw an attention to the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the Covid-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended 31st March 2021. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
(A) Transition to Ind AS from Indian GAAP	

<p>The financial statements of the Company for the year ended March 31, 2021 have been prepared in accordance with Ind AS. For the purposes of transition to Ind AS, the Company has followed the guidance prescribed in Ind AS 101, 'First-Time Adoption of Indian Accounting Standards', with April 01, 2017 as the transition date and IGAAP as the previous GAAP. The transition to Ind AS has resulted in material changes in:</p> <ul style="list-style-type: none"> • Classification and measurement of financial assets and financial liabilities • Measurement of loan losses (expected credit losses) 	<p>The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles.</p> <p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Evaluating the accounting interpretations for compliance with Ind AS and testing the adjustments and disclosures made on transition. • The accounting policies reflected in the comparative information are consistent with those applied in the current period or, if there have been changes in accounting policies, whether those changes have been properly accounted for and adequately presented and disclosed. • Assessed that the areas of significant estimates and management judgment are in line with principles under Ind AS.
<p>(B) Impairment of financial assets (expected credit losses)</p>	
<p>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets (designated at amortized cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including:</p> <ul style="list-style-type: none"> • unbiased, probability weighted outcome under various scenarios; • time value of money; • impact arising from forward looking macro-economic factors and; • availability of reasonable and supportable information without undue costs. <p>Applying these principles involves significant estimation in various aspects, such as:</p> <ul style="list-style-type: none"> • grouping of borrowers based on homogeneity by using appropriate statistical techniques; • staging of loans and estimation of behavioral life; • determining macro-economic factors impacting credit quality of receivables; • estimation of losses for loan products with no/minimal historical defaults. <p>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</p>	<ul style="list-style-type: none"> • We read and assessed the Company's Accounting policies for impairment of financial assets and their compliance with Ind AS 109. • We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation. • Tested the ECL model, including assumptions and underlying computation. • Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults. • Audited disclosures included in the Ind AS financial statements in respect of expected credit losses.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Ind AS financial statements and our auditors' report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/ audit report of other auditors, there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Auditor's Responsibilities is for the Audit of the Ind AS Financial Statements. Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we are required to determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The Company is engaged in the business of financial services i.e. lending and trading in securities. Inventories disclosed under the head "Other Financial Assets" and its related details are as follows:

Securities held for trading of Rs.3,77,80,950/- (Previous Year Rs.3,27,11,527/-) is disclosed as other financial assets. Revenue from operation includes Rs.91,24,047/-/- (Previous year Rs.52,33,140/-) from sale of securities. Purchase of Rs.1,25,47,627/- (Previous year Rs. 69,68,060/-) in statement of profit and loss account is of securities held for trading. Change in securities held for trading is disclosed in statement of profit and loss.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) the balance sheet, the statement of profit and loss, cash flow statement and statement of change in equity dealt with by this Report are in agreement with the books of account.
- (d) in our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder;
- (e) on the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) with respect to adequacy of internal financial control over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B" and
- (g) with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in the aforesaid Ind AS financial statements.
 - ii. the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The company is not liable to transfer any amounts to the Investor Education and Protection Fund. Therefore, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE- B TO THE INDEPENDENT AUDITORS

Report on the Internal Financial Controls under Clause (i) of sub- section 3 of the Section 143 of the Companies Act, 2013 (‘the Act)

We have audited the internal financial controls over financial reporting of **M/s Banas Finance Limited** (the company) as of 31st March, 2021 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Not on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control-based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorization of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because

of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2021.

- a) The Company did not have an appropriate internal control system for granting Loans. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.
- b) The Company's internal control system is not commensurate to the size and scale of operation over purchase and sale of shares and inventory and for expenses incurred.

A 'material weaknesses' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2021, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2021 financial statements of the Company, and the material weaknesses does not affect our opinion on the financial statements of the Company.

*The F.V. of equity shares were consolidated from Rs.1 per share to Rs. 10 per share on 29th Aug, 2017

b) Terms and rights attached to equity shares

The Company has only one class of equity share having value of Re. 10 each with an entitlement of one vote per share. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the annual general meeting. In the event of liquidation of the Company, the holder of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

c) Detail of shares held by shareholders holding more than 5% of the aggregate shares in the Company

Note:- 1

A) Basis of preparation of Financial Statements

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Accounting Standards) Amendment Rules, 2016 with effect from 1st April, 2016. Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2021, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements").

B) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, which are measured at fair value.

C) Going Concern Assumption:-

The Financial Statements have been prepared assuming entity will be able to continue its operation in near foreseeable future and there is no material circumstances casting doubt over going concern ability of company and neither management intends to liquidate its operation. Though company has accumulated loss, management has made sufficient viable plan to overcome such situation in future and the plan appears to be promising to validate the going concern assumption.

D) Inventory valuation

Cost of inventories includes cost of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale.

E) Use of Estimates

The preparation of the Financial Statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the Financial Statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the Financial Statements is made relying on these estimates. ii) The estimates and judgements used in the preparation of the Financial Statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the Financial Statements.

F) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

G) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

H) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Possible future obligations or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated, is disclosed as contingent liabilities in the notes to accounts of Financial Statements.

I) Property, plant and equipment (PPE) and Intangible assets

Tangible Assets

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes, substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use. Capital work in progress includes expenditure incurred till the assets are put into intended use.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation / depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

a) Depreciation

Depreciation on tangible assets is provided using the Straight Line Method over the useful lives of the assets estimated by the Management. Depreciation for the assets purchased / sold during the year is proportionately charged as prescribed in Schedule II to the Companies Act, 2013. Intangible assets are amortised over their respective individual estimated useful lives on a straight line basis, commencing from the date the asset is available to the Company for its use.

b) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet dates and if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to extent of the carrying value of the asset that would have been determined (net of amortization / depreciation), had no impairment loss been recognized. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

J) Investments

Investments that are readily realizable and intended to be held for not more than one year are classified as current investments. All other investments are classified as long-term investments. The investments have been valued at fair value in compliance with the Indian Accounting Standards

K) Taxation

Tax expense comprises of current income tax and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each balance sheet date, the Company re-assesses unrecognised deferred tax assets. It recognizes unrecognised deferred tax assets to the extent that it has become reasonably certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. Minimum Alternative Tax (MAT) credit is recognised as an asset and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

L) Financial

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All the financial instruments are recognised on the date when the company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Group recognises the financial instruments on settlement date.

(i) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified as Equity instruments designated at FVOCI

All equity investments in scope of Ind AS 109 'Financial instruments' are measured at fair value. The company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in OCI. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

Impairment of financial assets

Expected credit loss (ECL) are recognised for financial assets held under amortised cost, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. ECL is recognised for stage 2 and stage 3 financial assets.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Treatment of the different stages of financial assets and the methodology of determination of ECL

(a) Credit impaired (stage 3)

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether the loan is otherwise considered to be in default.

(b) Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behavioural score cards and other performance indicators, determined statistically.

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro economic factors. The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR. | Determination of PD is covered above for each stages of ECL. | EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities. | LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

M) Revenue recognition

Interest and related income

Interest and related income Interest income, for all financial instruments measured either at amortised cost or at fair value through other comprehensive income, is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

Dividend income

Dividend income is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when shareholders approve the dividend.

Sale of Securities held for trading

Company recognizes revenue to depict the transfer of promised goods to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company recognizes revenue from the sale of goods measured at the fair value of the consideration received or receivable.

NOTE 24:- FINANCIAL RISK MANAGEMENT**(a) Risk Management Framework**

In the ordinary course of business, the Company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

(b) Credit Risk

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. The Company assesses the credit quality of all financial instruments that are subject to credit risk.

Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD) along with an adjustment considering forward macro economic conditions [for a detailed note for methodology of computation of ECL please refer to significant accounting policies note no 1(L) to the financial statements.

The table below summarises the gross carrying values and the associated allowances for expected credit loss (ECL) stage wise for loan portfolio :

As at 31 March 2021

Particulars	Unsecured		
	Stage 1	Stage 2	Stage 3
Gross Carrying Value	478,102,435	24,778,705	34,403,722
Allowance for Expected credit loss	-	5,488,246	34,403,722
Expected credit loss Coverage ratio	0.00%	22.15%	100.00%

Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

Trade Receivable, Trade Payable, Short Term Borrowings and Short Term Loans and Advances balances are subject to confirmation and reconciliation

(c) Liquidity Risk management

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Due to the dynamic nature of the underlying businesses, Company's treasury maintains flexibility in funding by maintaining sufficient cash and bank balances available to meet the working capital requirements. Management monitors rolling forecasts of the Company's liquidity position (comprising the unused cash and bank balances along with liquid investments) on the basis of expected cash flows. This is generally carried out at Company level in accordance with practice and limits set by the Company. These limits vary to take into account the liquidity of the market in which the Company operates.

Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

NOTE 26:- FAIR VALUE HIERARCHY

(a) This section explain the judgments and estimates made in deterring the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in deterring fair value. The Company has classified its financial instruments into the three levels prescribed under the accounting standard

Financial assets and liabilities measured at fair value

PARTICULARS	March,31, 2020			March,31, 2019					
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3			
Financial Assets									
Investments	177,499,516		266,850,946	95,854,373	-	110,568,348	74,361,869	-	78,417,584
Loans			497,392,894	-	-	576,219,023	-	-	632,264,024
Cash and cash equivalents			15,045,892	-	-	74,834,378	-	-	46,365,164
Bank balance other than cash and cash equivalents			1,088,767	-	-	1,088,767	-	-	1,000,000
Other Financial Assets	37,780,950		806,935	32,711,527	-	3,445,695	29,874,806	-	7,083,782
Total	215,280,466		781,185,434	128,565,900	-	766,156,211	104,236,675	-	765,130,554
Financial Liabilities									
Trade Payables			826,804	-	-	744,038	-	-	3,798,858
Borrowings			112,040,020	-	-	106,069,664	-	-	96,588,987
Total			112,866,824	-	-	106,813,702	-	-	100,387,845

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

(c) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments includes:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rate at the balance sheet date.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All the resulting fair value estimates are included in level 2 or level 3, where the fair value have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

(d) Fair value Estimations

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments:Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in a arm's length transaction other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's Financial instruments, judgement is necessary in arriving at fair value, based on current economic conditions and specific risk attributable to the instrument. The estimates presented herein are not necessarily indicative of the amount the Company could realise in a market exchange from the sale of its full holding or a particular instrument.

Dividend/Interest-bearing investments

Fair value is calculate based on discounted expected future principles and interest cash flows. The carrying amount on the Company's investment are valued at fair value on the basis of fair market rate with reference to the investment with similar credit risk level and maturity period at the reporting date.

Trade & other receivable / Payables

The management assessed that Trade Receivables, Cash and Cash equivalents, Bank Balances, Deposits, other non derivative current financial, assets, Short term borrowings, Trade payables, Non derivative Current Financial Liabilities approximate their carrying amount largely due to the short-term maturities of these instruments.

There are no transfers between level 1 and level 2 during the year

NOTE 29 EMPLOYEE BENEFITS

Provision for retirement benefits to employees was not provided on accrual basis, which is not in conformity with Ind AS19 and the amount has not been quantified because actuarial valuation report is not available. However, in the opinion of the management the amount involved is negligible and has no material impact on the Profit & Loss Account.

NOTE 30 LOANS AND ADVANCES

Majority of the loans given are demand loans, therefore in some cases the terms of repayment and loan agreement are not available. Non Recoverable loans are appropriately written off as bad debts. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.

In 13 cases interest charged is less than prevailing yield government security for relevant tenure. Amount of such loans as on 31st March, 2021 is Rs 1,23,83,415/-. In 35 cases no interest has been charged. Amount of such loans as on 31st March, 2021 is Rs. 19,41,03,764/-.

NOTE 31 SEGMENT REPORTING

The Company's Managing director (MD) is identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators, however the Company is primarily engaged in only one segment viz., 'Lending and Securities Trading' and that most of the operations are in India. Hence the Company does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments".

NOTE 32 MICRO, SMALL AND MEDIUM ENTERPRISES

The Company has not received any intimation from any of its suppliers regarding their Status as Micro, Small and Medium Enterprise under "The Micro, Small and Medium Enterprises Development Act, 2006". Hence Disclosures, if any, relating to amounts unpaid as at the end of the year along with interest paid/payable as required under the said act is not applicable in the case of the Company.

Independent Auditor's Report on Consolidated Financial Statements

To the Members of
Banas Finance Limited

Report on the Consolidated Financial Statements

We have audited the accompanying Ind AS financial statements of **Banas Finance Limited** ("the Company") and its associate company, which comprise the balance sheet as at 31st March 2021, the statement of profit and loss, statement of changes in equity and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred as "Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March 2021, and profit (financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We further draw an attention to the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the Covid-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended 31st March 2021. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
(A) Transition to Ind AS from Indian GAAP	

<p>The financial statements of the Company for the year ended March 31, 2021 have been prepared in accordance with Ind AS. For the purposes of transition to Ind AS, the Company has followed the guidance prescribed in Ind AS 101, 'First-Time Adoption of Indian Accounting Standards', with April 01, 2017 as the transition date and IGAAP as the previous GAAP. The transition to Ind AS has resulted in material changes in:</p> <ul style="list-style-type: none"> • Classification and measurement of financial assets and financial liabilities • Measurement of loan losses (expected credit losses) 	<p>The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles.</p> <p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Evaluating the accounting interpretations for compliance with Ind AS and testing the adjustments and disclosures made on transition. • The accounting policies reflected in the comparative information are consistent with those applied in the current period or, if there have been changes in accounting policies, whether those changes have been properly accounted for and adequately presented and disclosed. • Assessed that the areas of significant estimates and management judgment are in line with principles under Ind AS.
<p>(B) Impairment of financial assets (expected credit losses)</p>	
<p>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets (designated at amortized cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including:</p> <ul style="list-style-type: none"> • unbiased, probability weighted outcome under various scenarios; • time value of money; • impact arising from forward looking macro-economic factors and; • Availability of reasonable and supportable information without undue costs. <p>Applying these principles involves significant estimation in various aspects, such as:</p> <ul style="list-style-type: none"> • grouping of borrowers based on homogeneity by using appropriate statistical techniques; • staging of loans and estimation of behavioral life; • determining macro-economic factors impacting credit quality of receivables; • Estimation of losses for loan products with no/minimal historical defaults. <p>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</p>	<ul style="list-style-type: none"> • We read and assessed the Company's Accounting policies for impairment of financial assets and their compliance with Ind AS 109. • We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation. • Tested the ECL model, including assumptions and underlying computation. • Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults. • Audited disclosures included in the Consolidated Ind AS financial statements in respect of expected credit losses.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Consolidated Ind AS financial statements and our auditors' report thereon.

Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/ audit report of other auditors, there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Consolidated Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Auditor's Responsibilities is for the Audit of the Consolidated Ind AS Financial Statements. Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we are required to determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The Company is engaged in the business of financial services i.e. lending and trading in securities. Inventories disclosed under the head "Other Financial Assets" and its related details are as follows:

Securities held for trading of Rs.3,77,80,950/- (Previous Year Rs.3,27,11,527/-) is disclosed as other financial assets. Revenue from operation includes Rs.91,24,047/-/- (Previous year Rs.52,33,140/-) from sale of securities. Purchase of Rs.1,25,47,627/- (Previous year Rs. 69,68,060/-) in statement of profit and loss account is of securities held for trading. Change in securities held for trading is disclosed in statement of profit and loss.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

- (h) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (i) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (j) the balance sheet, the statement of profit and loss, cash flow statement and statement of change in equity dealt with by this Report are in agreement with the books of account.
- (k) in our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder;
- (l) on the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (m) with respect to adequacy of internal financial control over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in “Annexure B” and
- (n) with respect to other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in the aforesaid Consolidated Ind AS financial statements.
 - ii. the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The company is not liable to transfer any amounts to the Investor Education and Protection Fund. Therefore, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure B to the Auditor's Report-31st March, 2021

Report on the Internal Financial Controls under Clause (i) of sub- section 3 of the Section 143 of the Companies Act, 2013 ('the Act)

We have audited the internal financial controls over financial reporting of **M/s Banas Finance Limited** (the company) and its Associate Company as of 31st March, 2021 in conjunction with our audit of the Consolidated financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Not on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control-based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorization of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2021.

- a) The Company did not have an appropriate internal control system for granting Loans. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.
- b) The Company's internal control system is not commensurate to the size and scale of operation over purchase and sale of shares and inventory and for expenses incurred.

A 'material weaknesses' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2021, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2021 Consolidated financial statements of the Company, and the material weaknesses does not affect our opinion on the Consolidated financial statements of the Company.

Note:- 1

A) Basis of preparation of Consolidated Financial Statements

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Accounting Standards) Amendment Rules, 2016 with effect from 1st April, 2016. Accordingly, the Company has prepared these Consolidated Financial Statements which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2021, and a summary of the significant accounting policies and other explanatory information of the company and its joint venture company (together hereinafter referred to as "Consolidated Financial Statements").

B) Basis of measurement

The Consolidated Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, which are measured at fair value.

C) Going Concern Assumption:-

The Consolidated Financial Statements have been prepared assuming entity will be able to continue its operation in near foreseeable future and there is no material circumstances casting doubt over going concern ability of company and neither management intends to liquidate its operation. Though company has accumulated loss, management has made sufficient viable plan to overcome such situation in future and the plan appears to be promising to validate the going concern assumption.

D) Inventory valuation

Cost of inventories includes cost of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale.

E) Use of Estimates

The preparation of the Consolidated Financial Statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the Consolidated Financial Statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the Consolidated Financial Statements is made relying on these estimates. ii) The estimates and judgements used in the preparation of the Consolidated Financial Statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the Consolidated Financial Statements.

F) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

G) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

H) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Possible future obligations or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated, is disclosed as contingent liabilities in the notes to accounts of Consolidated Financial Statements.

I) Property, plant and equipment (PPE) and Intangible assets

Tangible Assets

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes, substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use. Capital work in progress includes expenditure incurred till the assets are put into intended use.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation / depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

a) Depreciation

Depreciation on tangible assets is provided using the Straight Line Method over the useful lives of the assets estimated by the Management. Depreciation for the assets purchased / sold during the year is proportionately charged as prescribed in Schedule II to the Companies Act, 2013. Intangible assets are amortised over their respective individual estimated useful lives on a straight line basis, commencing from the date the asset is available to the Company for its use.

b) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet dates and if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to extent of the carrying value of the asset that would have been determined (net of amortization / depreciation), had no impairment loss been recognized. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

J) Investments

Investments that are readily realizable and intended to be held for not more than one year are classified as current investments. All other investments are classified as long-term investments. The investments have been valued at fair value in compliance with the Indian Accounting Standards

K) Taxation

Tax expense comprises of current income tax and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each balance sheet date, the Company re-assesses unrecognised deferred tax assets. It recognizes unrecognised deferred tax assets to the extent that it has become reasonably certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. Minimum Alternative Tax (MAT) credit is recognised as an asset and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

L) Financial

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All the financial instruments are recognised on the date when the company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Group recognises the financial instruments on settlement date.

(i) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified as Equity instruments designated at FVOCI

All equity investments in scope of Ind AS 109 'Financial instruments' are measured at fair value. The company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in OCI. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

Impairment of financial assets

Expected credit loss (ECL) are recognised for financial assets held under amortised cost, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. ECL is recognised for stage 2 and stage 3 financial assets.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Treatment of the different stages of financial assets and the methodology of determination of ECL

(a) Credit impaired (stage 3)

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether the loan is otherwise considered to be in default.

(b) Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behavioural score cards and other performance indicators, determined statistically.

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro economic factors. The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR. | Determination of PD is covered above for each stages of ECL. | EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities. | LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

M) Revenue recognition

Interest and related income

Interest and related income Interest income, for all financial instruments measured either at amortised cost or at fair value through other comprehensive income, is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

Dividend income

Dividend income is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when shareholders approve the dividend.

Sale of Securities held for trading

Company recognizes revenue to depict the transfer of promised goods to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company recognizes revenue from the sale of goods measured at the fair value of the consideration received or receivable.

b) Terms and rights attached to equity shares

The Company has only one class of equity share having value of Re. 10 each with an entitlement of one vote per share. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the annual general meeting. In the event of liquidation of the Company, the holder of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

NOTE 24:- FINANCIAL RISK MANAGEMENT**(a) Risk Management Framework**

In the ordinary course of business, the Company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

(b) Credit Risk

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. The Company assesses the credit quality of all financial instruments that are subject to credit risk.

Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD) along with an adjustment considering forward macro economic conditions [for a detailed note for methodology of computation of ECL please refer to significant accounting policies note no 1(L) to the Consolidated financial statements.

The table below summarises the gross carrying values and the associated allowances for expected credit loss (ECL) stage wise for loan portfolio :

As at 31 March 2021

Particulars	Unsecured		
	Stage 1	Stage 2	Stage 3
Gross Carrying Value	478,102,435	24,778,705	34,403,722
Allowance for Expected credit loss	-	5,488,246	34,403,722
Expected credit loss Coverage ratio	0.00%	22.15%	100.00%

Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

Trade Receivable, Trade Payable, Short Term Borrowings and Short Term Loans and Advances balances are subject to confirmation and reconciliation

(c) Liquidity Risk management

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Due to the dynamic nature of the underlying businesses, Company's treasury maintains flexibility in funding by maintaining sufficient cash and bank balances available to meet the working capital requirements. Management monitors rolling forecasts of the Company's liquidity position (comprising the unused cash and bank balances along with liquid investments) on the basis of expected cash flows. This is generally carried out at Company level in accordance with practice and limits set by the Company. These limits vary to take into account the liquidity of the market in which the Company operates.

Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

NOTE 25:- FAIR VALUE MEASUREMENTS**a) Financial instruments by category**

NOTE 26:- FAIR VALUE HIERARCHY

(a) This section explain the judgments and estimates made in deterring the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in deterring fair value. The Company has classified its financial instruments into the three levels prescribed under the accounting standard

Financial assets and liabilities measured at fair value

PARTICULARS				March,31, 2020			March,31, 2019		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Assets									
Investments	177,499,516		272,481,989	95,854,373	-	110,568,348	74,361,869	-	78,417,584
Loans			497,392,894	-	-	576,219,023	-	-	632,264,024
Cash and cash equivalents			15,045,892	-	-	74,834,378	-	-	46,365,164
Bank balance other than cash and cash equivalents			1,088,767	-	-	1,088,767	-	-	1,000,000
Other Financial Assets	37,780,950		806,935	32,711,527	-	3,445,695	29,874,806	-	7,083,782
Total	215,280,466		786,816,477	128,565,900	-	766,156,211	104,236,675	-	765,130,554
Financial Liabilities									
Trade Payables			826,804	-	-	744,038	-	-	3,798,858
Borrowings			112,040,020	-	-	106,069,664	-	-	96,588,987
Total			112,866,824	-	-	106,813,702	-	-	100,387,845

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

(c) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments includes:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rate at the balance sheet date.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All the resulting fair value estimates are included in level 2 or level 3, where the fair value have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

(d) Fair value Estimations

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments:Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in a arm's length transaction other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's Financial instruments, judgement is necessary in arriving at fair value, based on current economic conditions and specific risk attributable to the instrument. The estimates presented herein are not necessarily indicative of the amount the Company could realise in a market exchange from the sale of its full holding or a particular instrument.

Dividend/Interest-bearing investments

Fair value is calculate based on discounted expected future principles and interest cash flows. The carrying amount on the Company's investment are valued at fair value on the basis of fair market rate with reference to the investment with similar credit risk level and maturity period at the reporting date.

Trade & other receivable / Payables

The management assessed that Trade Receivables, Cash and Cash equivalents, Bank Balances, Deposits, other non derivative current financial, assets, Short term borrowings, Trade payables, Non derivative Current Financial Liabilities approximate their carrying amount largely due to the short-term maturities of these instruments.

There are no transfers between level 1 and level 2 during the year

	4.55	1.56
	4.55	0.69
	10.00	10.00

NOTE 29 EMPLOYEE BENEFITS

Provision for retirement benefits to employees was not provided on accrual basis, which is not in conformity with Ind AS19 and the amount has not been quantified because actuarial valuation report is not available. However, in the opinion of the management the amount involved is negligible and has no material impact on the Profit & Loss Account.

NOTE 30 LOANS AND ADVANCES

Majority of the loans given are demand loans, therefore in some cases the terms of repayment and loan agreement are not available. Non Recoverable loans are appropriately written off as bad debts. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.

In 13 cases interest charged is less than prevailing yield government security for relevant tenure. Amount of such loans as on 31st March, 2021 is Rs 1,23,83,415/-. In 35 cases no interest has been charged. Amount of such loans as on 31st March, 2021 is Rs. 19,41,03,764/-.

NOTE 31 SEGMENT REPORTING

The Company's Managing director (MD) is identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators, however the Company is primarily engaged in only one segment viz., 'Lending and Securities Trading' and that most of the operations are in India. Hence the Company does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments".

NOTE 32 MICRO, SMALL AND MEDIUM ENTERPRISES

The Company has not received any intimation from any of its suppliers regarding their Status as Micro, Small and Medium Enterprise under "The Micro, Small and Medium Enterprises Development Act, 2006". Hence Disclosures, if any, relating to amounts unpaid as at the end of the year along with interest paid/payable as required under the said act is not applicable in the case of the Company.
